Who do I contact if I feel there is an error in my points balance?

You may contact AMTROL directly at 401- 535-1236.

Or Email at Steven.Agnoli@wthg.com

What happens if any items are wrong when they arrive?

Call 800-621-9745 ASAP and let Customer Service know of your issue. They will assist in resolving the problem.

You have 30 days from date of shipment to exchange an item due to damage or a shipping mistake.

Why can't I use my PO Box for delivery?

FedEx and UPS are used for most deliveries, and they cannot deliver to a PO Box. Larger items will arrive by truck and the same applies to those deliveries.

Can Points Expire?

Yes. If your account remains inactive for a 12 month period, the account will be deleted and the points will be forfeited. An inactive account is defined as one where no serial numbers are entered or reward points redeemed for a 12 month period.

Total Possible Points

There is no maximum earning cap for the program. As long as the program is in effect, AMTROL will award points for qualifying purchases.

When are points awarded?

Points will be credited to your account as soon as they are entered.

When can I start to redeem my AMTROL Rewards Points?

You can redeem points as soon as they are available in your account.

Can I Purchase additional Points?

No. Points are currently unavailable for purchase.

Can I exchange points with another member?

No. AMTROL Points are nontransferable.
